

Jane V. Wellman

Jane Wellman is the Executive Director of the Delta Cost Project, a non-profit research and policy organization focused on ways to improve public transparency about higher education finance including comparative data on cost metrics. Wellman has over thirty years of experience in higher education policy in the United States, at both the state and federal levels, working with public, non-profit and for-profit institutions. In addition to her work with the Delta Project, Wellman also serves as the Executive Director of the National Association of System Heads, and is on the Board of Directors for the Association of American Colleges and Universities.
