

Mary Snyder

Coordinator of the Running Start program at NHTI-Concord's Community College, Concord, NH, Mary oversees more than 120 NHTI classes offered throughout 27 NH and Vermont high schools. While collaborating with approximately 70 high school teachers and 1,300 Running Start students annually, the program continues to grow under her leadership. Mary also serves as faculty in NHTI's Information Technology Department. Prior to her arrival at NHTI nine years ago, Mary was Professor of Information

Technology for the Transformations Program at the NH Department of Corrections, Laconia, NH; Assistant Professor of Business Technology at Baltimore City Community College, Baltimore, MD; and was a Computer Trainer at U.S. Coast Guard Academy, Washington, DC. Mary earned both a Bachelor's Degree in Business/Distributive Education and a Masters of Education at S.U.N.Y College at Oswego, Oswego, NY. She pursued additional graduate studies in Instructional Technology at University of Maryland.
