

## Margaret N. Freije

Vice President for Academic Affairs and Dean of the College, for the College of the Holy Cross, Worcester, MA

**Margaret Freije**, is the Vice President for Academic Affairs and Dean of the College. Prior to this appointment, she served as the Interim Vice President for Academic Affairs and Dean of the College (2013-2014), Associate Dean of the College (2004-2013), and Class Dean for the Classes of 1999 and 2003. Dr. Freije is a professor of mathematics and has been a faculty member in the department of mathematics and computer science since 1986. Dr. Freije earned a B.A in mathematics from Boston College and a Ph.D. in mathematics from Brown University. She is a specialist in algebraic number theory and arithmetic geometry. Her research has been published in the *Journal of Number Theory* and the *Pacific Journal of Mathematics*. She co-authored, with David Damiano, the textbook *Multivariable Calculus* (Jones & Bartlett Learning, LLC). In addition to her research in mathematics, Dr. Freije has published and given presentations on Jesuit liberal arts education, mission and faculty development, and advising in the liberal arts.
